ABOUT THE INSTITUTION

Jayaraj Annapackiam CSI College of Engineering is situated at Nazareth, an elegant semi-urban and God fearing town in Thoothukudi district. Our institution was established in the millennium year 2001 with the motto "Make Technology Reachable and Affordable to All". It is run by the CSI Thoothukudi - Nazareth Diocese, which also manages more than 350 educational institutions in Thoothukudi District. Our College is approved by the AICTE and affiliated to the Anna University, Chennai. It has been also certified by the TUV - NORD with ISO 9001:2008 for its quality in providing education. Our College offers three courses for B.E/B. Tech degree programmers in CSE, IT and ECE.

ABOUT THE DEPARTMENT

The IT Department was started in the year 2001 at the time of commencement of the institution. The Department has a team of well qualified, experienced and dedicated faculty members with competent academic expertise. As the motto suggests the department supports the development of software professionals. The students are not only trained in academic excellence but are also encouraged to acquire industry exposure through industrial visits, inplant training and projects. The department is equipped with the latest software. Our Department has given university ranks continuously which conducted by Annauniversity, Chennai.

SCOPE OF THE CONFERENCE

The objective of the conference is to bring together researchers and PG and UG students to discover challenges, issues and opportunities in advanced computing and recent trends in Information Technology and Communication Engineering.
